

PUBLICATION of the 1965 Directory has been made possible by establishment of a trust fund by individuals whose contribution of \$10 or more identifies them as Patrons. All net revenue from the sale of the book will serve to replenish the fund and provide capital for a future directory, or a paper-back edition of the Lydia Cody genealogy, *The Cody Family, Massachusetts 1698*.

Our thanks in behalf of members of the family, to these who have made Patron contributions during 1964:
