SPECIAL BULLETIN

THE 1941 CODY FAMILY HANDBOOK-DIRECTORY

As outlined in Bulletin No. 34 of Feb. 15th. we promised distribution of this book to our subscribers on May 1st. Will you please bear with us in a delay of one month? We regret this delay, but we are doing our best and so is our publisher. The delay is caused by waiting on records from certain of our families recently located and our desire to include them in the printed page. Another cause of delay is our under-estimation of the amount of printed matter; we are going to have a larger book than anticipated. Printing is now in full swing, and we are spending many hours in the checking of the printed proof. Our publisher has guaranteed completion of the job by June 1st. We know this book is being awaited with deep interest by those who have so generously subscribed; we ask your patience and your forbearance. We invite your subscription of two dollars for this book (your combined annual dues for 1941 and 1942). It is a book of your family; have you ordered yours yet?

1941 ANNUAL REUNION AT BEVERLY, MASS.

As many of you know the cities of Beverly and Salem, Mass. are so much a part of each other that the dividing line is negligible - two miles from the heart of one city to the heart of the other. So, with better hotel facilities in Salem, our 1941 reunion will be held in Salem, Monday and Tuesday Aug. 18th. and 19th. with headquarters at Hotel Hawthorne, family dinner in private dining room that evening, \$1.25 per person; we are hoping that it will be our privilege to have as our guest speaker at that dinner our kinsman, Sherwin Cody, that eminent American educationalist. Tuesday noon we are to have a luncheon (not to exceed 60 or 75 cents per person). Following this we are to have a conducted lecture, tour of the historic spots of Beverly and Salem, and to the site of the old home of our first American ancestor, Philip. This trip by special chartered bus will cost \$1.25 per person; those of course with private cars can use them. Full details of the reunion will later be announced. Many of us will recall our delightful reunion at Salem in 1930, arrangements for which were planned by Richard A. Cody. Richard and his wife Mary P. Cody are again in charge of local arrangements, so the success of our 1941 event is assured. Plan now to be on hand you will enjoy yourself; come one, come all, let's get acquainted.

SPECIAL NOTE

Dr. Lindus Cody Marsh of Oracle, Arizona, a distinguished psychiatrist of our family, is preparing a manuscript entitled "The Cody Family Genius", analyzing the presiding genius which seems to effect family strains. Dr. Marsh invites from everyone their ideas of what they consider the Cody Family genius to be, that is, the Cody characteristics. Dr. Marsh hopes to be with us at Salem, Aug. 18th. and 19th. and we shall look forward to learning of the results of his research at that time.
